# API MY CREW CARE MOBILE WEB SITE

## *Welcome to the New API My Crew Care Mobile Web Site!*

The new **API My Crew Care Mobile Website** replaces the pre-existing API Crew Care Website for both Single Sign On (SSO) and Non-SSO Crew Care users.

The new *My Crew Care Mobile Web Site* can be used by Crewmembers to:

- View and Search Featured Hotels
- View Hotels associated with the Airline & Hotel Details
- View and Leave Feedback

### **1. Technology Overview**

The new My Crew Care Mobile Web Site was developed by Accommodations Plus International. My Crew Care Mobile website utilizes Responsive Design. Responsive design simply means that the Web Site will automatically resize itself based on the device type the user utilizes.

### **2. Devices**

The new My Crew Care Mobile Web Site can be accessed via the following devices:

- Smart Phone
- Tablet
- PC

### **3. Browsers Supported**

The new My Crew Care Mobile Web Site is accessible and best viewed via the following browsers:

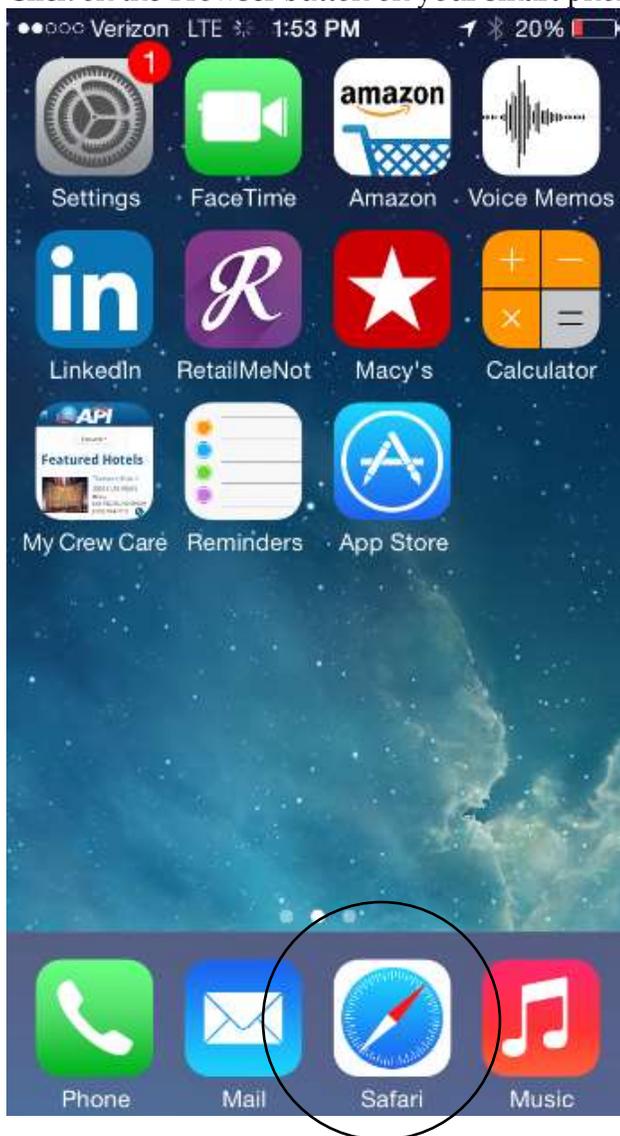

- Google Chrome (best viewed)
- Firefox
- Internet Explorer 9 or higher
- Safari

# GETTING STARTED WITH MY CREW CARE MOBILE WEB SITE

## 1. How To Create a Shortcut to the My Crew Care Website on Smart Phone Home Screen (SSO)

Follow these steps to create a shortcut on your home screen to the API My Crew Care Website on your smart phone or tablet (for single sign on users SSO):

1. Open your web browser on your smart phone or tablet.
2. Click on the Browser button on your smart phone device.

3. Enter the URL to your company Intranet in the Address field and click the Go Button.

4. On the bottom of the page users will click on the following icon.
5. User will click on the Add to Home Screen button.

6. User will type in the name of the website and then click the Add Button.
7. For Access to My Crew Care users will then access the new bookmark from their phone, login to your intranet and then click on the My Crew Care link to be able to access the system.

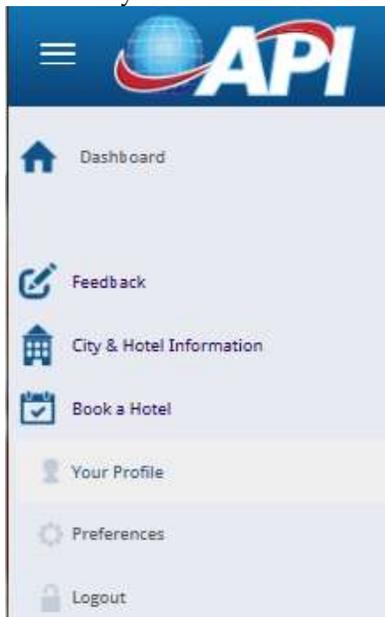

## 2. Smart Phone Navigation Menu

When accessing My Crew Care via your smart phone users will access the Navigation Menu by following these steps.

1. After successfully logging into My Crew Care mobile phone users will click on the mobile phone Navigation Menu icon to expand the site menu.

2. The My Crew Care navigation mobile menu will then be displayed. Users can click on any menu items to access those particular pages via the site.

## FEATURED HOTELS DASHBOARD

### 1. Featured Hotels Dashboard Overview

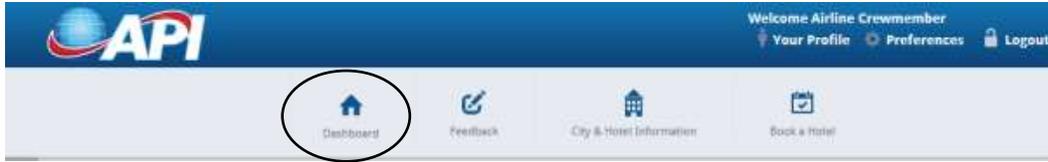

The Featured Hotels Dashboard provides crewmembers with the ability to:

- View and search for featured hotels that their particular Airline has access to.
- Provides users with hotel specifics such as the hotel name, address, images, phone number, crewmember discounts, hotel amenities, restaurant information, room information, security information, etc.

## 2. How to View Featured Hotels for Your Airline

To access and utilize the Featured Hotels Dashboard users will follow these steps:

1. Users will click on the Dashboard button from the menu.

2. The Featured Hotels Dashboard will be displayed.

3. Users can click on the desired hotel to view more pertinent detail about the hotel.
